

Quick Start Guide

Follow the steps below to set up Alexa on your KENWOOD audio receiver.

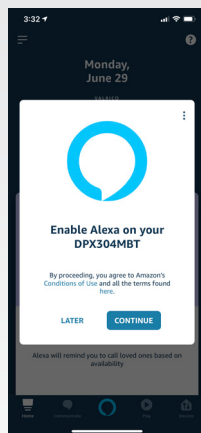

1 Pair your receiver to your smartphone via Bluetooth.
Open the BT settings on your smartphone to get started.

2 Download the Alexa App and log in.
Available on the Apple App Store® or Google Play Store™.

3 Pair your receiver to the Alexa App.

Option A Automatic Pairing

1. Open the Alexa App.
2. Select "Continue" from the pop-up message asking you to "Enable Alexa on your (receiver model examples KDC-BT640U, KDC-BT740DAB or KMM-BT206)".

Option B Manual Pairing

1. Open the Alexa App and go to the "Devices" tab.
2. Tap the "+" icon at the top right corner.
3. Tap "Add Device".
4. From the list of device types, tap "Automotive Accessory".
5. Your receiver should appear. Tap that and follow the instructions.

You're all set! The Alexa function is now ready.

Tap the Alexa key on your receiver to speak with Alexa.

Try: "Play some music" or "Navigate to home".

KENWOOD

2020 Audio Receivers Alexa Quick Start Guide

Get Started with Alexa

You can talk to Alexa on your KENWOOD RECEIVER. With Alexa, you can ask to play music, hear the news, check weather, control smart home devices, and more.

Download the Amazon Alexa companion app from the Apple App Store® or Google Play Store™ to set up Alexa on your KENWOOD RECEIVER.

Press the Alexa key on the receiver to speak "What's in the news?".

Just ask Alexa

Entertainment & News

"What's my flash briefing?"

"Play rock music from the 70s."

On the Road

"How's my commute to work?"

"Navigate to the nearest gas station."

Alexa Skills and More

"Tell Starbucks to start my order."

"What action movies are playing this weekend?"

Get the Alexa App

The Alexa app lets you easily manage your alarms, music, shopping lists, and more.

Go to alexa.amazon.com on your smartphone to get the app.
